

5 Family Payments Social Media Text

Social Security Scotland has 5 family payments to help balance family costs if you get Universal Credit, tax credits or other qualifying benefits.

Best Start Grant: three payments at key stages of your child's early years

Best Start Foods: a pre-paid card topped up with money to spend on healthy food while you are pregnant or have a young child

Scottish Child Payment: £106.80 every four weeks until your child turns 16
