A guide to Social Security Scotland's benefits

COMMS/Guide to our benefits/V3/November 2022

Dignity,
fairness,
respect.

Social Security Scotland was set up by the Scottish Government to deliver a number of devolved benefits. These benefits will be introduced in stages. Once all of these benefits have been introduced, we will be delivering benefits for families on low incomes, people who need help paying for a funeral, disabled people, carers, young people entering the workplace and to help people heat their homes.

The Department for Work and Pensions (DWP) and local authorities will also continue to deliver some benefits.

We currently deliver twelve benefits for people that live in Scotland.

Carer's Allowance Supplement

An extra payment of £245.70 to people who get full or partial Carer's Allowance from the Department for Work and Pensions on certain qualifying dates. This is paid automatically to eligible carers every six months.

Best Start Grant Pregnancy and Baby Payment

A payment for people getting tax credits or certain benefits to help with expenses in pregnancy or having a new child. It pays £642.35 for a first child, and £321.20 for other children. There is an extra £321.20 for a multiple birth.

Best Start Grant Early Learning Payment

Best Start Foods
