Publication

To demonstrate openness and transparency, all governance group papers will now be published on the website of Social Security Scotland. All governance group papers should be written in line with the Writing for Publication Guidance.

Papers which contain sensitive information which should not be published must set out the reasons why. The author must identify the relevant exemption which should apply. The exemption should be stated in the section below, with the reasoning for this decision. Please speak to the Data Protection and Information Governance team before submitting your paper if you are unsure which exemption may apply.

1. I am aware that this paper may be published in the public domain and I am content for the information to be published.
2. I believe information in this paper should be withheld from publication and that an exemption applies.

2.1. Please state the exemption and explain your reasoning:

29(1)(a)

35(1)(a)

I believe that the some of the contents of this paper should be withheld in relation to the prevention and detection of crime i.e fraud. Releasing some of this information would jeopardise ongoing fraud prevention work or risk compromising ongoing fraud investigations. The information relates to tactics and methodology along with specific statistics of fraud investigations.
