Publication

To demonstrate openness and transparency, all governance group papers will now be published on the website of Social Security Scotland. All governance group papers should be written in line with the Writing for Publication Guidance.

Papers which contain sensitive information which should not be published must set out the reasons why. The author must identify the relevant exemption which should apply. The exemption should be stated in the section below, with the reasoning for this decision. Please speak to the Data Protection and Information Governance team before submitting your paper if you are unsure which exemption may apply.

1. I am aware that this paper may be published in the public domain and I am content for the information to be published. ☐
2. I believe information in this paper should be withheld from publication and that an exemption applies. ☒

2.1. Please state the exemption and explain your reasoning:

Names redacted under exemption Section 38.1(b) subsection 2A(b) Personal Information.

Email Address redacted under exemption

Planned actions and controls redacted under the following exemptions: Section 29.1(a) Formulation of Scottish Administration policy, Section 30(b) Prejudice to effective conduct of public affairs, Section 35.1a Law Enforcement, Section 30 (c) Prejudice to effective conduct of public affairs
