

## Social Security Scotland Management Information

### **Carer Support Payment pilot applications**

Initial management information indicates that from Monday 20 November to Tuesday 21 November, over 20 applications for Carer Support Payment had been received.

This figure is based on management information sourced from Social Security Scotland's case management system. A data cut was extracted on Wednesday 22 November for internal reporting purposes. This data is subject to change and later data cuts from the case management system may include retrospective changes to application numbers for this time period. The pilot launch covers Dundee City, Perth and Kinross and Na h-Eileanan Siar (Western Isles).

As this figure is based on management information, it has not yet been quality assured to the same standard as Official Statistics. A further management information release will be published on Social Security Scotland's website on Tuesday 19 December 2023, covering applications received in the first four weeks of pilot launch. A release of Official Statistics on Carer Support Payment, covering applications up to 31 December 2023, will be released on 13 February 2024.
