Subject: SJSSC Visit to Agnes Husband House 15/01/2024

Morning all,

Hope you are all well and had a good festive break!

We have had confirmation of a Committee visit on 15/01/2024. I have attached the agenda above and this will take place in Agnes Husband House.

David has asked for a Client Advisor, Case Manager and Practitioner to come into a room and show the end to end journey with good/bad applications, missing supporting information, problems getting supporting information etc. Could you have a think about who would be best placed and have names to me by Monday 08/01/2024.

[REDACTED] – I think you have had a heads up from [REDACTED] so may have names now. Just copying you in [REDACTED] for info.

[REDACTED] – We are unsure if CDP are involved and [REDACTED] is offline until the 3rd so if you can have this on your radar and ill confirm for definite when [REDACTED] returns if we need the same for Child Disability.

Many Thanks,

[REDACTED]
