The author must complete this page before submitting the paper to the Business Support Office.

Publication

To demonstrate openness and transparency, all governance group papers will now be published on the website of Social Security Scotland. All governance group papers should be written in line with the Writing for Publication Guidance.

Papers which contain sensitive information which should not be published must set out the reasons why. The author must identify the relevant exemption which should apply. The exemption should be stated in the section below, with the reasoning for this decision. Please speak to the Data Protection and Information Governance team before submitting your paper if you are unsure which exemption may apply.

1. I am aware that this paper may be published in the public domain and I am content for the information to be published.
2. I believe information in this paper should be withheld from publication and that an exemption applies.

2.1. Please state the exemption and explain your reasoning:

The information withheld is exempt under Section 27 of the Act. This is because the information withheld is intended for future publication. The information withheld in the paper is intended to be published within 12 weeks.

I have applied the following redactions throughout the paper –
38(1)b – to redact the names of staff not within the Senior Civil Service
