Scottish Child Payment applications are now open for children aged under 16.

You can apply for the payment of £100 every 4 weeks if you

- get Universal Credit, tax credits or other qualifying benefits
- have a child or children aged under 16

The quickest way to apply is online at <https://bit.ly/SocialSecurityScotlandScottishChildPayment> but you can also apply by phone, by post or in person.

If you have already been getting Scottish Child Payment for your child under 6 then you do not need to reapply.

If you have older children you can add them to your existing Scottish Child Payment at <https://bit.ly/SocialSecurityScotlandScottishChildPayment>
