

Social Security Scotland Management Information

Scottish Child Payment applications

Initial management information indicates that, from Monday 9 November 2020 to Sunday 14 February 2021, the total number of applications received was 85,000.

This figure is based on management information sourced from Social Security Scotland's case management system. A data cut was extracted on Tuesday 16 February for internal reporting purposes. This data is subject to change and later data cuts from the case management system may include retrospective changes to application numbers for this time period.

As this figure is based on management information, it has not yet been quality assured to the same standard as Official Statistics. This is the final release of weekly management information on Scottish Child Payment applications. In future, information will be published within our quarterly Official Statistics releases.

A first release of Official Statistics on Scottish Child Payment applications, covering to 31 December 2020, was released on 2 February 2021 and can be found at:
