

## Social Security Scotland Management Information

### **Scottish Child Payment applications**

Initial management information indicates that, from Monday 9 November 2020 to Sunday 7 February 2021, the total number of applications received was 77,000.

This figure is based on management information sourced from Social Security Scotland's case management system. A data cut was extracted on Tuesday 9 February for internal reporting purposes. This data is subject to change and later data cuts from the case management system may include retrospective changes to application numbers for this time period.

As this figure is based on management information, it has not yet been quality assured to the same standard as Official Statistics. A first release of Official Statistics on Scottish Child Payment applications, covering to 31 December, was released on 2 February 2021 and can be found at: <https://www.gov.scot/publications/scottish-child-payment-high-level-statistics-on-applications-to-31-december-2020>.
