

Social Security Scotland Management Information

Scottish Child Payment applications

Initial management information indicates that, from Monday 9 November to Sunday 13 December, the total number of applications received was 50,000.

This figure is based on management information sourced from Social Security Scotland's case management system. A data cut was extracted on Tuesday 15 December for internal reporting purposes. This data is subject to change and later data cuts from the case management system may include retrospective changes to application numbers for this time period.

As this figure is based on management information, it has not yet been quality assured to the same standard as Official Statistics. A first release of Official Statistics on Scottish Child Payment, covering to 31 December, will be released on 2 February 2021.
