Executive Advisory Board Freedom of Information (Scotland) Act Exemption Form

The author must complete this page before submitting the paper to the Business Support Office.

Publication

To demonstrate openness and transparency, all governance group papers will now be published on the website of Social Security Scotland. All governance group papers should be written in line with the Writing for Publication Guidance.

Papers which contain sensitive information which should not be published must set out the reasons why. The author must identify the relevant exemption which should apply. The exemption should be stated in the section below, with the reasoning for this decision. Please speak to the Data Protection and Information Governance team before submitting your paper if you are unsure which exemption may apply.

1. I am aware that this paper may be published in the public domain and I am content for the information to be published.☐

2. I believe information in this paper should be withheld from publication and that an exemption applies. ☒

2.1 Please state the exemption and explain your reasoning:

Paper Summary for Website Publication (max 100 words)

An exemption under section 38(1)(b) of FOISA applies to Third Party personal data. Disclosing it contravenes General Data Protection Regulation and Data Protection Act 2018.

An exemption under section 35(1)(a) of FOISA applies as disclosure of information would prejudice substantially the prevention or detection of crime. To disclose would compromise our ability to prevent fraud.

An exemption under section 30(c) of FOISA applies as disclosing this information would substantially prejudice our ability to administer and deliver benefits to the people of Scotland because it covers sensitive aspects of the processes and systems we use.

Paper Summary for Website Publication (max 100 words)

Audit Report relating to Payments to GPs and Third Sector Organisations as part of planned audit coverage.

Paper authors should write a short paragraph here to summarise the content of the paper.
