Job Start Payment

Social Security Scotland's Job Start Payment is £294.70 (or £471.50 if you are the parent or main carer of a child)

Job Start Payment helps with the costs of starting a new job if you

✓ are aged 16-24

✓ have been out of work and getting a qualifying benefit for 6 months

You can apply up to 3 months after the date you got offered the job.

If you are a care-leaver you can apply up to the age of 25 and only have to be getting a qualifying benefit on the day you were offered the job.
